SMILE CORNER:

It works

I once gave my husband the silent treatment for an entire week at the end of which he declared: "Hey, We're getting along pretty great lately."

Refreshing!

A woman is impatiently waiting for a pot of water to boil so she can cook pasta.

“Well”, she says to her 12 year-old son, “I guess it’s true what they say,:” a watched pot never boils”. “Yes.” he says. “It’s like that old saying:” A watched website never loads.”

Seems wrong.

If the right side of the brain controls the body, then lefties are the only ones in their right mind.

Bottoms up.

A man goes into a bar and orders a double whisky. He takes a sip then says to the barman.:”I shouldn’t be drinking this with what I’ve got.”

Concerned, the barman asks .”What have you got?”

“Only ten rand”.
