SMILE CORNER:

IT'S SCIENCE

Light travels faster than sound. That's why some people appear quite bright-until you hear them talk.

THE CRYING GAME

"The onion is the only food that can make you cry." A guy tells his friend.

"I disagree." his buddy says.

"Prove it."

So his buddy drops a coconut on his head.

RECIPE FOR HAPPINESS

Take equal parts of faith and courage, mix well with a sense of humour, sprinkle with a few tears and add a helping of kindness for others. Bake in a good-natured oven and dust with laughter.

Scrape away any self-indulgence that is apparent and serve with generous helpings.

WHODUNIT

Police say they haven't arrested anyone for the Notre Dame fire ...but they have a hunch back at the station.

A black hole goes into a bar and orders a drink.

Barman, "Would you like something to eat with that , sir?"

Black hole : " No thank you . I'm a light eater"
