Until then , stay warm and keep smiling.

SMILE CORNER:

IN THE DOCK

During an elderly woman's trial for murder, the prosecutor asks. "So after you'd put the poison in the stew and served it to your husband, didn't you feel even a little remorse for what you'd done?"

"I did," she replied

"And when was that?"

"When he asked for seconds."

ROAD OUTRAGE

A woman is driving on the N1 when her cellphone rings.

It's her boyfriend calling to warn her.

"Sandi I just heard on the news there's a car going the wrong way on the N1. Please be careful."

"It's not just one car, "Sandi says. "There are hundreds."

MULTITASKING

Joe walks into a bar and orders martini after martini, each time removing the olives and placing them in a jar.

When the jar is full and all the drinks consumed, he gets up to leave.

"Excuse me." Inquires a curious fellow patron, "What was that all about?"

"Well," Joe replies "My wife sent me out to get a jar of olives."
