SMILE CORNER:

THOUGHTS ON LIFE

The other night I ate at a real family restaurant – every table had an argument going on.

How is it that one careless match can start a forest fire but it takes a whole box to start a braai fire.

***A man is interviewing his daughter's boyfriend :
“So,” he starts , “You want to be my son-in-law, do you ?”***

“Not particularly,” the young man says, “but if I want to marry your daughter, I don't have much choice do I ?”

AIN'T THAT THE TRUTH?

During a quarrel, a husband says to his wife :”You know, I was a fool when I married you .”

“Yes dear,” the wife says , “but I was in love and didn't notice.”
