SMILE CORNER:

Perfectly imperfect

A drunken guy approaches a cute girl in a singles bar.
“Hi Babe,” he says,“How’s about a date?”
“Don’t waste your time.”she says.”I never go out with perfect strangers.”
“It seems we’re both in luck.”he says.”I’m far from perfect.”

Your turn.

I hate weddings because the elderly come over and poke me and say "You're next."

But they've stopped doing it since I started doing it to them at funerals.

Lie to me

"You look beautiful today." a politician on the campaign trail tells a woman.

"Thanks but unfortunately I can't say the same about you."

The woman replies.

"Sure you could," the politician says. "You just have to learn to lie as well as I do."

Tried and Tested.

A wealthy investor walks into a bank and says to the bank manager: "I'd like to speak to Mr Reginald Jones. I

understand he's a tried and trusted employee of yours."

The banker replies: "Yes, he certainly was trusted and he'll be tried as soon as we catch him."
