LONG PITCH.

***A little boy knocks at the door of his neighbour's house and tells the owner that something of his has found it's way into her garage and he wants it back.
The woman opens the garage and notices a cricket ball and a broken window sporting a cricket- ball size hole.
" How do you suppose this ball got in here?"she asks.
Taking one look at the ball, one look at the window and one look at his neighbour, the little boy says :*"Wow lady, I must have thrown it right through that hole!"****
