FROM THE CHAIR:

Hi All. What can I say? 2019 has come and gone in a flash and here we are in 2020 and the first month is on its back. The Chair and his best half want to wish all club members everything of the best for the year ahead, may you be blessed with good health, keep on doing what you like best and keep on looking up. We know where our help comes from. The Chair is still standing, not yet on his back. The Committee had its first meeting yesterday 16th of January, lots of things were discussed and we planned our schedule for the first half of the year. More information in the newsletter. So now it's back to the grindstone, smoothing out rough edges, so that all goes well. Hoping to see you all at the Club meeting on the 6th of February 2020, it will be a social morning, so the hall will be like a beehive, still got to get use to this 2020 thing. Till then keep well, God bless. L O L to all
