## *Chairman's Message*

---

*Hello All,*

*I hope you are all keeping well. As you can see, this is a very different newsletter – no outings, restaurants or meetings. Unfortunately, with this coronavirus, it is just not safe to have any such events. Whilst the lockdown is relaxing, with hints that restaurants with limitations may be allowed to open, the infection rate is still increasing and so unfortunately, is the risk - just not worth going out at the moment, especially at our age. It may also be the case for the rest of the year, but I will pen another Newsletter for September to December to keep you advised. If the worst comes to the worst, we could be having a Valentine's lunch instead of a Christmas lunch!*

*A little bit of good news - those members who have paid their 2020 subs (many thanks!) will be credited for 2021. Also, I have not forgotten that refunds are due for cancelled restaurant meals and will sort that out at our next meeting, whenever that is.*

*On a lighter note and nothing to do with coronavirus:*

*'Bob left work one Friday evening. But it was payday, so instead of going home, he stayed out for the entire weekend, partying with his mates and spending his entire wages.*

*When he finally appeared back home on Sunday night, he was confronted by his angry wife and was barraged for nearly two hours with a tirade befitting his actions. Finally his wife stopped the nagging and said to him, "How would you like it if you didn't see me for two or three days?"*

*He replied, "That would be fine with me."*

*Monday went by and he didn't see his wife. Tuesday and Wednesday came and went with the same results.*

*On Thursday, the swelling went down just enough for him to be able to see her a little out of the corner of his left eye.'*

*Keep safe, keep well.*

*Brian Widdowson - Chairman*
