Tech support: How may I help you?

Customer: I'm writing my first email.

Tech support: OK, and what seems to be the problem?

Customer: Well, I have the letter 'a' (@) in the address, but how do I get the little circle around it?

A woman customer called the Canon help desk with a problem with her printer.

Tech support: Are you running it under windows?

Customer: 'No, my desk is next to the door, but that is a good point.

The man sitting in the cubicle next to me is under a window, and his printer is working fine.'

FROM YOUR COMMITTEE

We are not sure when the Library Auditorium will be available for meetings. The two outdoor functions which were held at Edgemoor Soccer facilities were fully booked as only 50 members were allowed. Unfortunately we had to limit the numbers. However, we are planning more events at Edgemoor Soccer Club as we have the inside bar area, the seating area under the veranda and the grass section available. At all times the Covid-19 protocol regulations will be in place i.e. mask and social distancing.
